GOOD TO GO

One. Don't run extension cords under rugs, carpets or furniture because you may trip over dem or they may break from you walking on dem and this can cause a fire.

Iwa. Do not plug extension cards into each other.

Number 3. Yu mustn't use extension cords permanently as they are for temporary use.Number 4....

O.K. Maizie, I get the message. Tonight when I come back ah will call di Certified Electrician to come and check out the wiring and grounding and install some more outlets in di house as mi nuh have enough.

Ah hope yu keep yu promise dis time

O.K. well now we are good to go.

Si Percy cyar a come down di road deh. Mi sure wi can get a ride to di the cinema.
